

Annual Report

Hon'ble Chief Guest distinguished Guest of Honour
....., esteemed members of Shri Maheshwari Samaj,
Jaipur, ECMS and the managing committee of Mps Tilak Nagar, eminent
guests, Reverend Parents and dear Students.

It is my proud privilege to extend a cordial welcome to this august gathering
for being here on this spectacular occasion of Annual Function 'Mps: Our
living Planet'

This report will provide you with the snapshots of unforgettable experience
that we created with each other's co-operation.

It is indeed an enduring tradition on every Annual Day to take time to pause
and look at the fruitful year gone by.

Mps always lay emphasis on excellence. We feel that an educational
system is not worth a deal if it teaches young people how to make a living
but does not teach how to make a life.

I sense glory and extreme satisfaction to present a catalogue of these
colossal accomplishments.

The students of standard X and XII glorified the name of the institution with

We all are elated to share the result of standard XII (Science) who showed
outstanding performance, 156 students appeared,out of which 148 were

1st division .Khushnuma Bano secured 1st position with 93.20%
